

GOALSHOT®

GETTING STARTED

Thank you for choosing SKLZ Goalshot. We are dedicated to providing you with the best tools and instruction possible to help you prepare for your sport. If there is anything else we can do to help, don't hesitate to send us an email at customerservice@sklz.com or give us a call at **1-877-225-7275**.

BEFORE YOU BEGIN:

- Read all setup and usage instructions carefully before using. If the setup and/or instructions are not followed correctly, it could result in injury or damage to the product.
- Athletes under 18 years of age should use only under adult supervision.
- Adult assembly is recommended.
- Always check for wear and tear before use. If any is found, do not use the product.
- Make sure you have all Goalshot components. If you are missing anything, please contact SKLZ customer service toll free at **1-877-225-7275**.

⚠️ WARNING:

- Be sure to consult your healthcare professional before beginning this or any type of exercise program.
- Always check equipment for worn or damaged parts before use.
- Goalshot is a tool designed to develop skills in a training environment. Take breaks and do not overexert yourself.
- Exercise in open area free of hazards.
- Goalshot must not be installed or used in windy conditions.

⚠️ CAUTION:

- When in use, make sure Goalshot is set up in a clear area to avoid damage to property.

CARE:

- Do not leave the Goalshot outdoors for extended periods of time.
- Keep away from fire and heat sources.
- Don't hang from the Goalshot.
- Avoid storing the Goalshot in extremely hot or cold environments as this could reduce the life span of the product.
- Always fold and roll up back into the supplied storage bag.

PATENT NO. US7811184 & US8079923

ASSEMBLY

1 Remove from the bag and lay out in front of the goal.

2 Connect side clips midway up the post.
Note: You can adjust the height at the end of the setup.

3 Connect the clips on the other post so the Goalshot spans full width of the goal.

4 Connect the Goalshot to the crossbar by throwing the white straps over the front.

5 Grab the white strap on the other side of the bar and run it through the clip.

6 Pull the strap down to secure the Goalshot into position. Grab the black strap and lock the straps into place by pulling forward. Clips will firmly hold straps in place.

7 Repeat on the next strap over until you have all four straps pulled tightly to the crossbar.

Note: You can return to adjust the side straps. By loosening them you can adjust the level of the bottom of the Goalshot.
